By combining our Swedish heritage with constant innovation based on the needs of customers, we design forest trailers and cranes that impress by their consistently pleasant performance.

FTG Källefäll forest trailers can pass through challenging terrains and are robustly built to withstand tough grips in the forest. Trailers' capacity varies from 2,5 to 12 tones. Our trailers can be supplemented with telescopic cranes, ranging from 4,2 to 9,4 meters reach. Källefäll cranes are strong, fast, and easy to operate. We also offer a wide range of timber grapples and other accessories to meet different needs.
